

# WHAT WOULD LARRY DO?

This is Larry. He goes to the gym five times a week.  
He's 101 years old.  
His philosophy of life is: "One day at a time!"  
Which has worked out pretty well for 101 years!  
If he can do it, so can you.

Arbonne will help you. They've just introduced a special Sports Nutrition Value Pack and 30 Day Nutrition Starter Kit. If you haven't heard of Arbonne, you will. If you haven't tried it you should. You have nothing to lose except toxins and weight. Now, whenever I don't feel like exercising, I ask 'What would Larry do?'
